Prayer & Praise – June to September 2010

Thanks giving for the recent church weekend which was a great blessing to many.

- That we may be able to consolidate the work which God has started in people in the last year as we attempt to disciple them properly.
- Prayer for a Worship workshop we are holding on the 26th June. That we may be able to identify and celebrate what is working well and have the courage to change the things which aren't.
- Wisdom and discernment as we are becoming more involved with welfare work.
- Increased focus during the holiday season, especially to enable us to keep everything going with people on holiday.
- The plans which we will be making this week with Heather Noel Smith to hold safeguarding training in October.
- Our young people as they face up to the challenges of the extra freedom which will come with the release from their studies, and for those preparing to go off to University in the autumn.

Please see the Circuit website at <http://www.methodist.org.gi/> for further prayer focus.
