Directions

Bromley Methodist Church,
College Road, Bromley,
Kent BR1 3NS

Bromley North station is very close (trains from Charing Cross, change at Grove Park).

Bromley South is an easy 10-15 minute walk (direct fast trains from Victoria). Walk up Kentish Way or via the High Street.

From **Essex, Herts etc** leave M25 at Junct. 3 Sidcup/Eltham and follow A20 then A222 to Widmore Road, then follow map.

From **Surrey**, Junct. 4 (Orpington) and then A21 into the centre of Bromley and then Kentish Way.

From **Kent**, M2 then see above, or M20 then A20 to Chislehurst and then A222.

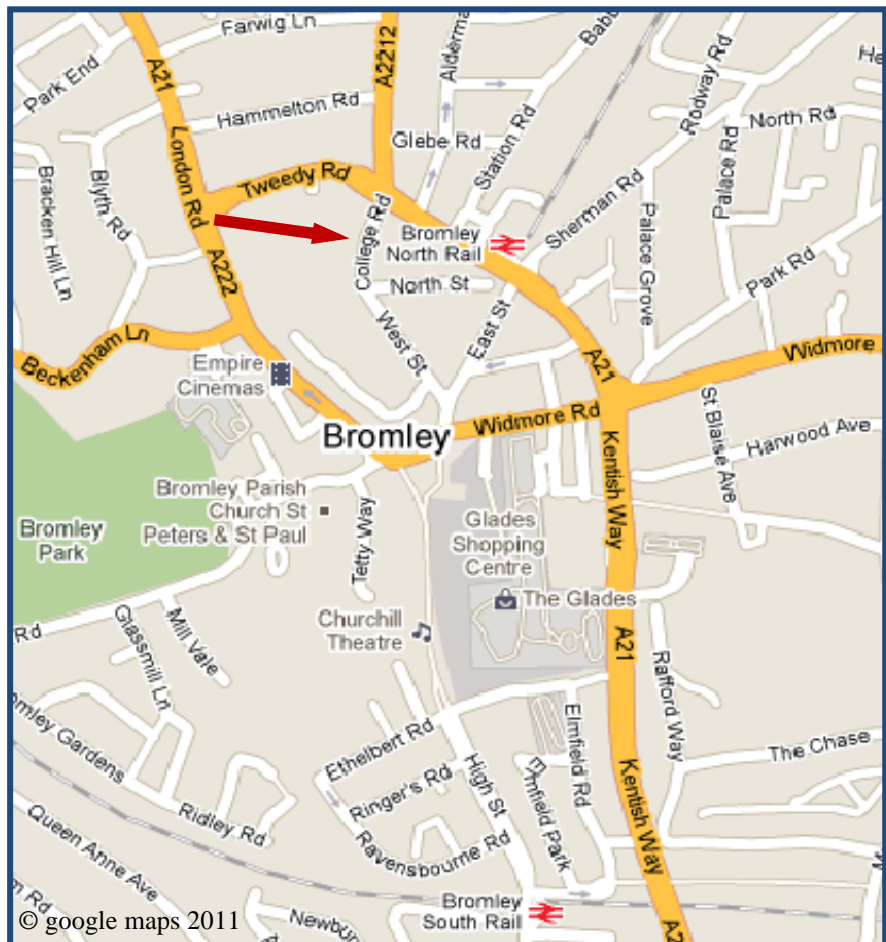

From **Sussex**, A22 then M25, or A21, M26 and M25 and then as above.

Parking on site for those with disabilities. **Please book for this and for special diets when responding.**

There is other parking nearby on meters and in car parks.

Bromley Church is a large modern building with an ample car park. It is however on a one-way system and is more easily seen than reached! The simple way is to turn off of the A21 (Tweedy Road) into East Street. This will lead you into West Street, and finally into North Street from which you turn into the church car park.

Please book as soon as possible and at the latest by **Friday, 13 April 2012**
